**2020 Feast of Tabernacles and Last Great Day**  
**Saturday, October 3, through Saturday, October 10**

Dear Brethren,

Here is the information for the **2020 Feast of Tabernacles** major sites. We hope and pray that we will be able to utilize these sites in the traditional way. However, it now appears that many sites will be unfeasible to use because of governmental restrictions due to the Covid-19 pandemic. Some of these restrictions limit the number of people allowed in a group setting to 10 or less, which makes keeping the Feast in the traditional manner impossible.

Nevertheless, we will not be deterred from keeping the Feast in small groups in homes. We will have all of the Feast videos online. You have the option of watching the videos online or downloading them ahead of time. This will allow you to have your meetings at whatever time you desire. Ideally your computer should be connected to a television, which would allow for full screen viewing of the message. If this isn't possible, **let us know right away** and we will send you the DVDs for the Feast, which you can then view on your TV using a DVD player.

Please begin now making arrangements for small, individual Feast sites where several brethren can meet daily throughout the Feast. We hope that all of our traditional festival sites will safely open up by the time the Feast of Tabernacles arrives. However, at the present time that appears unlikely. In the event that we are able to utilize our usual sites, all of the necessary Feast information appears below. Please contact the Feast host listed for each site in order to determine the feasibility of meeting as a group at a particular site.

Here in Hollister we should be able to have 25 people, so this is what we are planning. Check with the festival host for the site you're interested in attending to determine the situation. If it proves impossible to meet at a particular site, be prepared ahead of time to host the smaller in-home meetings.

Thank you for your help in this matter. I am sure God will bless us with an outstanding Feast, regardless of where we have to meet.

With love in Christ Jesus,

Fred R. Coulter
